MENDOCINO VALLEY SCENES — COUNTY BUILDINGS — MENDOCINO LOGGING AND COAST SCENES

Vol XXXIV. UKIAH, MENDOCINO COUNTY, CALIFORNIA, APRIL 1, 1910. Number 41

TOWN CANDIDATES MAKING HARD SCRAP

City Clerk Cunningham is busy this week mailing sample ballots and instructions to voters. The registration this year is larger than usual in town and it is expected that there will be nearly 800 qualified voters when the polls open. The fight for treasurer has changed some as E. H. Goodfriend, who had a strong following, announces that he is out of the race as he has resigned his position with the tea company to accept a better position in the southern part of the state and expects to leave about the first of May.

For trustees there is only Smith and Miller, present incumbents, on the ticket which means their election without contest. In the marshall fight Oliver Cleveland, incumbent, and J. H. Carothers and A. J. Watson are contesting for the honors. For clerk Lee Cunningham, incumbent and J. R. Elder are the only entires. The treasurer job however carrying the salary of $25 a month proved the drawing card and T. M. Cleland, Julius Roller, T. A. Lucas and J. M. Owen are all claimed as winners by their friends.

Everyone is anxiously awaiting the 11th day of April when the matter will be settled. It is said that the campaign is a strenuous one and that every voter in town has been interviewed by every one of the candidates and if they all do not get elected it is because some of the voters ha e misrepresented their feelings in the matter. This however is not probable.

BREWSTER-HEROLD ENTERTAINMENT

The last number of the concert course is to be given at the Baptist church on next Thursday evening, April 7th. The company consists of Mr. George W. Brewster jr., dramatic reader and characterist and Mr. Chester Herold, tenor soloist. Mr. Brewster is an artist of the highest order and never fails to win the sympathy and attention of his audiences by his well chosen selections and his beautiful "heart eloquence." He has won fame in his monologue, "The Other Wise Man," by Henry Van Dyke. The San Jose Herald says of Mr. Chester Harold's work, "The sweetest tenor that ever charmed the ears of a San Jose audience." Seats on sale at Mathew's Tuesday.

A TASTY EASTER WINDOW

The C. Hofman company had a very attractive window for easter. A number of belgian hares did duty as Easter rabbits and multi colored eggs of the easter variety were abundantly in evidence. The grass plot and bouquets of tulips and hyacinths added greatly to the attractiveness of the exhibit. In the background was also a tasty display of suitable Easter garments. The window attracted a great deal of attention and crowds of people stopped for a second look.

LODGES ELECT REPRESENTATIVE

At the meeting of Ukiah lodge. I O O F, Tuesday night F. M. Wilson and A. O. Carpenter were elected delegates to the grand lodge and Mack Howard and Dr. George McCowen were elected alternates. Dan O'Hara of San Francisco who has been visiting the family was with her at the time but escaped injury. The horse scared at a road scraper and tipped the buggy over.

MORTGAGE ABSTRACTS COMPLETED

Recorder E. E. Holbrook has completed and turned over to the assessor the abstract of mortgages and deeds of trust. It consisted of two volumes of 208 pages. Recorder Holbrook has prove a popular as well as competent official and the work of his office is always right up to the scratch.

MULE KICK BREAKS LEG

H. C. Brookes was down from Potter this week on a business visit. He reports that his son Howard was so unfortunate as to be kicked by a mule Saturday and his right leg was broken near the knee joint. It was at first thought that the joint was injured but this proved not to be the case.

SUIT FOR DAMAGES ON TIE CONTRACT

The case of the Albion Lumber company against A. J. Lowell occupied the superior court several days last week, the evidence in the case having all been put in Thursday night and the matter was to have been argued Saturday morning, but was postponed until Wednesday morning and then again postponed as the different attorneys in charge were busy with other matters.

The suit is over 40,000 railroad ties which the company claims Lowell sold them on November 5, 1908, but they did not call for the delivery of them until February 15, 1909, at which time Lowell claimed that the company was to have taken them within two weeks after the trade was made and refused to then deliver them. Meanwhile the Albion lumber company had sold the ties to a firm in the southern part of the state and say they were compelled to buy in the open market to make their contract good.

They claim that Lowell was to have received 34 cents and that they were compelled to pay 40 cents and the suit is for the difference of $2400 for failure to carry out the contract. Mannon & Mannon represent the plaintiff and J. C. Ruddock and Robert Duncan represent the defendant.

ELECTRIC PIANO FOR THE VICTORY

C. A. Riffe of the Victory theatre will be here next week to superintend the installing of a $1000 electric piano in his place of amusement. He also announces that he will give four reels of films each performance instead of three and that the pictures will be the latest all having been made in the past month or two. In speaking of the matter he said: "I am satisfied that there is only business enough in Ukiah for one moving picture theatre and that the best one always wins out, I am here to give the best and money can buy no better machines or higher class films than those used at the Victory. My patrons are never disappointed.

BAPTIST CHURCH TASTILY REMODELED

The remodeling of the Baptist church was completed in time for the Sunday services and the edifice was crowded with worshipers. The interior is very tastily arranged the prevailing colors being browns. The ceiling is finished in heavy beams mission style and the wainscoting is of burlap paneled with stained redwood moulding. The lights have also been changed and the auditorium is brilliantly lighted with tastily arranged electric globes. The decorations were planned by Rev. Brown and reflect credit on his good taste.

KNIGHTS TEMPLAR OBSERVE EASTER

Ukiah Chapter number 33, K T, observed Easter by attending divine worship at the Christian church in full uniform. A very impressive sermon was delivered by Rev. Teel, himself a knight, to a crowded house. After church the Knights and their ladies adjourned to the Cecille where a toothsome menu had been prepared for them. Land Lord Mariner had handsome menu cards bearing the emblems of the order prepared as souvenirs.

A NEW BUSINESS FIRM WILL OPEN

Mr. Marks representing the firm of Marks & Barnett spent several days in this city this week looking over the field for a merchant tailoring and general men's clothing business. He concluded that Ukiah looked good to him and so rented a store in the McKinley building opposite the post office and will open April 9 with a complete stock of fashionable suitings and also ready to wear clothing.

Mr. Marks and Mr. Barnett are both practical tailors having been in business for the past fifteen years in San Francisco. They have decided however to close their place of business in San Francisco and and move to Ukiah. They are both well pleased with Ukiah and report that with the climate and soil and the influx of new people that Ukiah valley is bound to be one of the best business locations on the coast.

Mrssrs Marks & Barnett come well recommended and announce that they will guarantee every garment they sell. Satisfaction guaranteed or money refunded will be their motto. Their styles will be up to date and their prices right.

POSTMASTER AT BOONVILLE

J T Farrer has been appointed postmaster at Boonville vice Mrs Diddle, resigned. The appointment is a good one, Mr Farrer having had experience in this line before. The patrons of the office will undoubtedly receive prompt service. During the absence of Mrs Diddle the office was in charge of Charley Finney who proved to be a good man on the job.

EEL RIVER CLAIMS ANOTHER

C. L. Marshall fell forty feet into Eel river one day last week and was instantly killed while walking down a narrow path near the dam. William Lilley was with him at the time and recovered the body. The accident occurred near where Mr. Anderson, who built the Andersonia mill, was killed three years ago. The death of Mr. Anderson has caused the property to lie idle.

CORNELIA LODGE OBSERVES BIRTHDAY

The 16th anniversary of the Cornelia Rebekah lodge was celebrated at their meeting Monday night and an enjoyable evening was spent by their many members. During the sixteen years in which this lodge has been organized it has steadily grown until now it is one of the strongest and most prominent orders in this city. The lodge was named for Mrs. Cornelia White who is one of the charter members, and has constantly worked for the upbuilding of the lodge.

At the close of their regular session Monday evening three delegates were elected to attend the Rebakah Assembly at Fresno in May. The delegates are Mrs. Cornelia White, Miss Alma Atkinson and Mrs. Belle Wilson. After the election of the delegates a delicious lunch was served and the younger members enjoyed a "basket picnic" by sitting on the floor and eating their lunch. Dancing was also a part of the program and it was not until the small hours of the morning that the members departed for their homes, wishing success for the Cornelia Rebekah lodge.

EUROPEAN PLAN PROVES SUCCESSFUL

Serving meals ala carte has been in vogue one month in this city and Willits and the hotel men report that all of their customers express themselves as more than satisfied. In addition to paying for what you want the hotels are now enabled to keep a much larger assortment of edibles and fried chicken and oysters are among the standard dishes.

TONG LEADERS DISAGREE

Um Pau, a Chinaman until recently employed by Gong at the laundry, was arrested in Santa Rosa Sunday on a warrant sworn to by Chef Lung of the Palace charging him with obtaining money under false pretenses. THE RUDD-BYRNES JURY DISAGREES

The new trial of the Rudd-Byrnes case occupied the superior court Monday and Tuesday and the jury were unable to agree and were discharged, standing 8 to 4 in the defendants favor, 9 being required for a verdict. The case was orgininally tried before Judge White and was appealed on the ground that he would not submit the question to the jury as to whether Rudd was guilty of contributory negligence, and the reversal was secured on this ground. This was the question submitted to the jury. District Attorney Duncan states that he will try the case again.

MISS JOSEPH WAS WELL RECEIVED

The concert by Mlle Eleanor Mart Joseph at the Baptist church Friday night was well attended and highly appreciated, and everyone was sorry when the last number on the program was finished, so sorry in fact that she was enchored until she appeared and sang another of her delightful songs. Rev. Brown who managed the concert and to who the public is indebted for many a pleasant evening this winter had prepared programs on which the translation of a number of the songs was printed so that the audience had no trouble in getting a correct interpretation of the work of this talented dramatic soprano.

She favored the audience with one number on the piano which was so appreciated that the outburst of applause continued until she again appeared and responded. Fred Rothchild who is especially popular with Ukiah audiences acted as accompanist. The applause was more than generous through the whole program.

ST JOHNS M E CHURCH NOTICE

The subject "Men and the Kingdom" will be discussed in the morning service. The Epworth League will meet at 6:30 p m. There will be no service in the evening, as we adjourn to hear Miss Alexander in Cleland's hall as this is to be a union meeting of all the churches. The music last Sunday was excellent in every way, and by special request will be repeated Sunday April 10th. A full announcement will be made in next week's paper. All are most cordially invited.

MANNERS FAMILY CAPTURES PRIZES

Ed Stipp is quite elated over the fact that at the 31st annual London Shire horse show held the last week in February, Lockings Manners colts captured three of the 48 prizes awarded. Lockings Manners is the sire of Mr. Stipps Shire stallion Nateby Manners. Ukiah can therefore lay claim to as good a Shire stallion as there is. A full account of the show appears in the Breeders Gazette of March 16.

ENTRIES FOR SCHOOL TRUSTEE

The school election today promises to be a warm one. Ves Hatch has entered the race and appears to have a serious attack of the political fever. Although Ves has never been tried out as a runner before his friends claim that he is showing phenomnal speed. It is understood that W. P. Thomas, incumbent, has also been urged into the race by his friends. Both candidates are popular and there promises to be a heavy vote polled.

LONG VALLEY CREEK ROAD

C A Long when down from Sherwood this week reported that work was soon to be commenced on the new road down Long valley creek. It will be about nine miles long and will cut out ten miles of hill and be a wonderful improvement in the roads in the northern part of the county. Only about six miles of road will require much work as the remaining three are practically level.

designated was a slight, swarthy fellow in the uniform of a colonel. He did not appear to be particularly happy at the moment.

The American observed the lady's dainty ears. They had turned a delicate pink.

"May I ask who"— began Truxton timidly.

"She will know if you merely call me Loraine."

They parted company at once, the prince and the lady in the rajah silk going toward the castle, King toward the gates, somewhat dazed and by no means sure of his senses.

WALTER D WAGNER FOR SECRETARY

The accompanying photo is that of Walter D. Wagner, for many years auditor of San Bernardino county and the present secretary of the state railroad commission. Mr. Wagner is now a candidate for the Republican nomination for secretary of state and is asking the support of the Republicans at the coming primaries. His record is clean and he is a competent man and would make an able successor to Charley Curry whose record for efficiency in the office is wellknown. From all of the papers in San Bernardino county he receives very complimentary notices which must indicate that he stands well with his home people. The people of Mendocino county would make no mistake in supporting him.

Quick and Sure!

Remington
AUTOLOADING RIFLE

YOU can shoot it 5 times "quick as you can think." You pull and release the trigger for each shot—the recoil does the rest.

It is wonderfully accurate too. And when you hit your game it is yours, because every shot is equal to a one ton blow.

Like modern military rifles, the action is locked by a turning bolt. But a Remington is the only rifle in the world which encases this *locked bolt* action in a Solid Breech Hammerless steel frame. And moreover, the Remington **loads itself.**

Take a modern Remington with you. Made in .25, .30-30, .32 and .35 Remington calibres.

Best Meat

Is always found at the City Market. C. P. Smith, the proprietor, has been in the butcher business in Ukiah since 1873 and knows the business from the buying of the cattle to the cutting of the choicest portions for particular customers. The mere fact that he has been in business for 36 years is in itself a guarantee of the quality of meats he handles and that during all these years his customers have received a square deal. Thirty-six years in the business also insures that he knows the men who raise the choicest steers, the fattest hogs and the best sheep and he has standing contracts with them so that no matter what the weather conditions are or what the market prices may be his customers are insured the best meat at a reasonable price. If you have any doubt as to the value of 36 years expierence recall the many butcher shops that have been opened in Ukiah during that time and that have gone out of business for one cause or other. The only one left today under the same management is—

Fort Bragg Wins Big Field Meet

The boys from Mendocino county made a good showing at the big field day of the Northwestern Sub-league of the A. A. L. at Santa Rosa last Saturday. The Fort Bragg team once more demonstrated their ability as athletes by winning the honors with forty-two points, while Ukiah only missed the "skiddo" number by gaining half a point. The points secured by each team were as follows: Fort Bragg 42; Santa Rosa 32 1-2r Willits 29; Healdsburg and Ukiah 23 1-2 each; Mendocino 10 1-2; Benicia 8; Petaluma 5; Analy (Sebastopol) 2.

Two records of the Northwestern Subleage of the A. A. L. were broken when Scatena of Healdsburg, beat his former record in the shot put, throwing the shot 46 feet, 7 1-2 inches, as against his record of 42 feet, 6 inches. Young, another Healdsburg athlete, broke the pole vault record held by Eldredge of the same school. Young vaulted 10 feet 9 1-4 inches on the former record.

Despite the rain and wind there was a a large attendance at the race track and the special train from Willits carried quite a number of students and their friends from this county and northern Sonoma county. The handsome loving cup given as a trophy for the winning team by the Santa Rosa high school was won by Fort Bragg. It is an elegant trophy and one of which the boys of the coast town may well be proud. The points made by the teams of the various schools are as follows:

50 yard dash—Won by Clay, Willits; Crooks, Benicia, second; Early, Petaluma, third; Young, Healdsburg, fourth. Time 5 3-5 seconds.

880 yard run—Won by Deane, Ft. Bragg Aulin, Fort Bragg, second; Miller, Santa Rosa, third; Shurtz, Healdsburg, fourth. Time 2:17 1-5.

220 yard dash—Deane, Fort Bragg, and Hurley, Mendocino, tied first place; Cox, Ukiah; third, Roth, Willits, fourth. Time 27 1-4 seconds.

Mile run—Won by Ware, Fort Bragg; Clark, Ukiah, second; Deane Fort Bragg, third; Smith, Petaluma, fourth. Time 5 minutes.

100 yard dash—Won by Crooks, Benicia; Caly, Willits, second; Hudson, Santa Rosa and O'Brien tied for third. Time 10 2-5 seconds.

120 yard hurdles—Won by Deane of Fort Bragg; Van Dyke, Ukiah, second; McDaniel, Santa Rosa, third; Rowe, Willits, fourth.

Relay race—Won by Santa Rosa; Fort Bragg, second; Willits, third; Healdsburg, fourth.

Pole Vault—Won by Young, Healdsburg; Steele and Endicott of Willits tied for second place; Eldridge, Healdsburg, and Cox, Ukiah, tied for fourth place. Height 10 feet 9 1-4 inches.

No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

You can't afford to accept a *secret* nostrum as a substitute for this non-alcoholic medicine OF KNOWN COMPOSITION, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.
